RE: Correction to my letter dated February 20, 2009

Dear Committee Treasurer:

I know you received my letter dated Feb. 20, 2009, indicating that your committee was delinquent in filing your 2008 annual campaign finance report of receipts and expenditures. Upon speaking to you on the telephone on March 9, I had my staff review your file. As a result of this review, we found that we incorrectly classified your committee in our system as a committee that is still open and required to file. We show that your committee disbanded as of October 19, 2007.

Please let this letter serve as notice that no such filing is required of your committee and thus, no fine will be assessed for delinquency of the same.

Thank you for your prompt response to my letter. Please accept my apologies for this clerical error.

Sincerely,

A handwritten signature in black ink, appearing to read "Laurel S. Judkins", is written over a horizontal line.
